

brothers were great to tease my sister Mary and I. One time they got us to play the "Snipe Hunt", and we were all excited about going on a hunt with them. We were to go out in the field and hold a gunny sack and they were to chase the snipes into the sacks. We anxiously held the sacks until it started getting late in the evening and our mother began to worry about us. Our brothers with grins on their faces then told her where we were. Of course, it was a big joke on us. I still laugh when I think of us holding those sacks and waiting for our big game. I had many fun experiences with my brothers.

I was blessed on 2 April 1939 by William Whiting in the Salmon ward at Salmon, Idaho. I was baptized on 3 May 1947 by Lawrence Chipman in the town hot springs swimming pool, Salmon, Idaho. I was confirmed 4 May 1947 by Ray Webster Stoddard.

I remember walking to primary after school and I could hardly wait to get there. I had a great love for primary and I knew there was a teacher waiting there who loved me very much.

I loved going to Sunday School as a family. We were always there unless we were sick. Even as a small child I felt the love my parents had for the gospel. My testimony began while I was very young but I didn't realize it until I was much older.

During some of my Mutual age I belonged to a girls sextet in our ward. We sang at various occasions like fashion shows a road show, sacrament meetings and award dinners. I enjoyed the programs of Mutual such as their Rose Evening and Mother and Daughter night. The wards I belonged to at these times were very active and there were plenty of opportunities to get involved in the activities of the program.

I started school at the age of six attending the Salmon, Idaho and Forest, Salt Lake City, Elementary schools. Some of my close friends I had in elementary school were: Joyce Honey, Carolyn Yeamen, Deanna Goodwin and Myrna Tame. In the Salmon Elementary school I attended was in the same building as the High School. In the fifth grade I went to another grade school on the opposite side of Salmon, and at the end of that year my parents moved to Salt Lake City, Utah, where I finished my school years.

I attended the Irving Junior High School at Salt Lake City, Utah. My special friends in junior high school were: Myrna Tame, Kathryne Moss, Connie Collard, Connie Weiler, and Melba Coombs.

Junior High seemed to be the hardest to learn of my school years. I did enjoy my singing class and I liked my teacher very much. In the ninth grade my parents moved up on the East side of Salt Lake City, called the Canyon Rim. Mary and I got a ride from our neighbor up there and finished the year.

I attended the Olympus High School at Salt Lake City, Utah. My special friends were Sandra House, Kay Boyd and Connie Collard. I graduated on 24 May 1957. Olympus High was only one year old when I attended there. It was the first

graduating class that had gone all three years when I graduated.

I attended seminary for three years at the Olympus Seminary. It was across the street from the high school. I graduated on 16 May 1957. In Seminary I learned about the Gospel much faster and the teachers were outstanding. At the end of our graduating year we went on a tour of Mt. Timpanoogas, a cave at the top of a mountain in Provo, Utah.

High school was much easier for me than I thought it would be. There were many activities to join and assemblies. I joined their choir class each year and we were invited by the Baptist Church to sing at their evening meeting. It was a fun experience to sing there.

I attended college at the University of Utah for one and a half years majoring in elementary education. I also attended the LDS Business College in Salt Lake City. I graduated as a clerk typist on 8 June 1968.

I have held the following church positions: Sunday school teacher, sports director, visiting teacher and Primary president.

I was first married on 25 November 1959 and I obtained a divorce on September 1964. I remarried 8 November 1968 to Bernhard Elias Jaegerman in the Salt Lake Temple by Joel Richards. I met Bernhard at a LDS Church dance called the LDS Sociables. I was 28 years old at the time and he was 27. We went together to firesides, these meetings were special for single people and the speakers were very good and inspiring. We went together for a year and a half and were engaged on 8 June 1968, the night I graduated from the LDS Business College. We were married 8 November 1968 at the Salt Lake Temple and honeymooned at Las Vegas for three days. It was the first time I had been on an airplane. We made our home at 1003 Major Street, Apt. # 7. Bernie had an opportunity to work for Boeing Company and so we moved to Washington. We have lived in Bountiful, Utah, Lynnwood, Washington and Port Orchard, Washington.

We have been blessed up to this date of 16 May 1975 with four children they are, beginning with the eldest: Dean born 4 June 1960, Salt Lake City, Utah; Steven born 13 August 1964 Salt Lake City, Utah; Jeanette Helen born 21 March 1970 Edmonds, Washington, and Julia Carol born 16 May 1975 at Bremerton, Washington.

Dean was born and lived in Salt Lake vicinity until he was about nine years old. He enjoys the out of doors and carpentry. He is very energetic and well organized. During the 1974-75 year was his first year of seminary. The ward is about 10 miles from home and very early hours were involved to attend.

Steven was born and lived in the vicinity of Salt Lake until he was about five years old. Steve has a hobby of stamp collecting. He often wonders what he will be in the future. He is attending Frank Given's Elementary.

Jeanette has lived in Washington all her life. She is very outgoing and aggressive person. Always happy and friendly towards people and close friends. She starts kindergarten in September 1975.

Julia Carol born in Washington also is a sweet baby.

The few years I have worked have been in the secretarial and clerical occupations. Some day I hope to live by a temple and do temple work. It is an experience that I hope to be worthy enough to do.

UPDATE OF FEBRUARY 1993:

Julia Carol Jaegerman born 16 May 1975 and Marie Louise Jaegerman born 30 July 1978.

When Dean and Steven reached the age of 18 we had them adopted and so they both have the name Jaegerman. Dean filled a mission to Chile in 1981. He then married Jeanette Charlene Highbee on 10 September 1982. They have three children: Nicole, Breana, Sheila. They reside in Kent, Washington.

Steven filled a mission to Arizona in 1986. After he returned he lived with his grandparents, Ethel and William Whiting in Salt Lake City, until his marriage to Marla Shirell Stipe, on 13 April 1992. They now reside in Salt Lake City, where they are working and Steve is going to school. He is soon to graduate.

Our last three children, Jeanette, Julia and Marie are still living with us. Jeanette is working and planning to go to college. Julia is still in high school and working part time. Marie is in junior high and will graduate this summer. We are still living in Port Orchard, Washington, and I have seen our Port Orchard First Ward grow to be the fourth Ward and soon to split again. We have lived in Washington since 1969.

Some more thought about my childhood. Being a little sister and having four big brothers was a wonderful experience for me. Eddie, who is closer to my age, was more involved with my daily activities, so I remember him alot. When we had friends or relatives over, Wesley would be the one to take charge and have them all see if they could hold him down, just to show us how tough he was. Mervell was the one I always went to, when the others were teasing me too much. I would run behind his back and he would say, "Now you kids leave little Carolyn alone".

Cecil I don't remember too much about because he was off fighting wars and then afterwards he attended college and got married. It was during Dad's funeral when I got to know him more and got an update of his family. This was a great time, too, when I got to see so many relatives I hadn't seen since I was a young girl.

I remember Mervell getting married to Sue Mahoney before we left Salmon, Idaho. I also took care of his first child, Susan, once in a while. Then we moved to Salt Lake City and he moved a short time later and lived next door to us. He got a job where my Dad worked. A few years later Mervell got a job in California and he lived there and then moved to Nevada. Cecil also lived in California at the same time.

When I was expecting my fifth child, Marie, we visited Mervell when he

lived in Reno, Nevada. That was in about 1978. His children, Susan, Vicki, and Jimmy were grown up and living somewhere else. A few years later Mervell remarried again to Virginia (Genny), and are not living in California. Mervell's birthdate is 13 September 1930 in Pocatello, Idaho.

After Ruth Dahl got married and left Salmon, I never saw her too much, but she wrote to our family. She was always pleasant and smiling and loved her children very much. Mary was always my pal, and I thought she would save me from anything. I'll never forget her long fingernails that I could never grow and still can't.

Salmon was always a fond memory of my childhood. I loved living with my family and being on that small farm. I had wonderful childhood memories and recalling those memories is something I do often. I didn't mention Mom or Dad because I assumed you had plenty by talking to them. I might just add that they were always an inspiration to me in all aspects. I really can't over emphasize what they meant to me. They not only reached out to their own family but to many others in and outside their relatives. They truly inspired many, many people.

RUTH DAHL CREASER

Due to the loss of my mother and other misfortunes in my early childhood years, I shared the home of Uncle Will and Aunt Ethel Whiting and their family. I was seven or eight years old at the beginning of my life with them. I might mention I learned to refer Aunt Ethel and Uncle Will as Aunt and Uncle because my father married Aunt Ethel's sister prior to my living with the Whiting's. I shared the love with the family as it increased from Cecil the oldest son, Merv the second, Wesley the third and Ed the fourth son. Mary, after the loss of her mother at birth became a member of the family, and then Carolyn, the youngest. At an early age I became experienced in caring for young children, which came in handy when I had my own.

Times were hard and money scarce. Uncle Will and Aunt Ethel worked hard to feed and clothe us. I was very sensitive that I may have been an extra burden for them. I hope in some measure I was able to compensate for those times.

At the age of 15, I was united with an Aunt of mine on my mother's side and her husband, I lived with them in Los Angeles and attended school. At this time I studied music and dancing, for which I always had a dream of doing. This was a new experience for me and gave me an insight to life in a large city. I was always active in church and enjoyed taking part in any musical program.

At the age of 17, I returned to Salmon, Idaho, and to the family I loved and the home I pretty much grew up with. Mary had come to their home at this time, she was an adorable little tot and I dearly loved her. Soon after, Carolyn was born. I had the pleasure of helping choose her name. A little girl that was always smiling and has never changed.

I graduated from high school that same year and also was chosen Queen of the Green and Gold Ball, at the Salmon Ward. This was an honor that I was proud and excited to have. A memory that will last forever, an inspiration to my life.

I feel blessed in so many ways having had the privilege to be surrounded by so many people that I learned to love during my young and impressionable years. Uncle Ralph and Aunt Irene Whiting and their family were always kind and loving to me. I loved being in their home and sharing good times with them. Kathryn and I being the same age shared a lot of fun times, especially our "duet singing" in school. You are special, Kathryn, and I have always loved you.

My special heartfelt thanks and love to Aunt Ethel and Uncle Will for giving me a home of love. Their teachings have and will remain with me forever.

POMPI SMASH

I sent down three or four times. I couldn't get any word up, so I went down myself. I hadn't gone far when I met a man, with a great long bottle. I said: See here, feller, I never takes a drink unless someone asks me. I tips it, takes one swig - makes me feel all over big as a bed kiver.

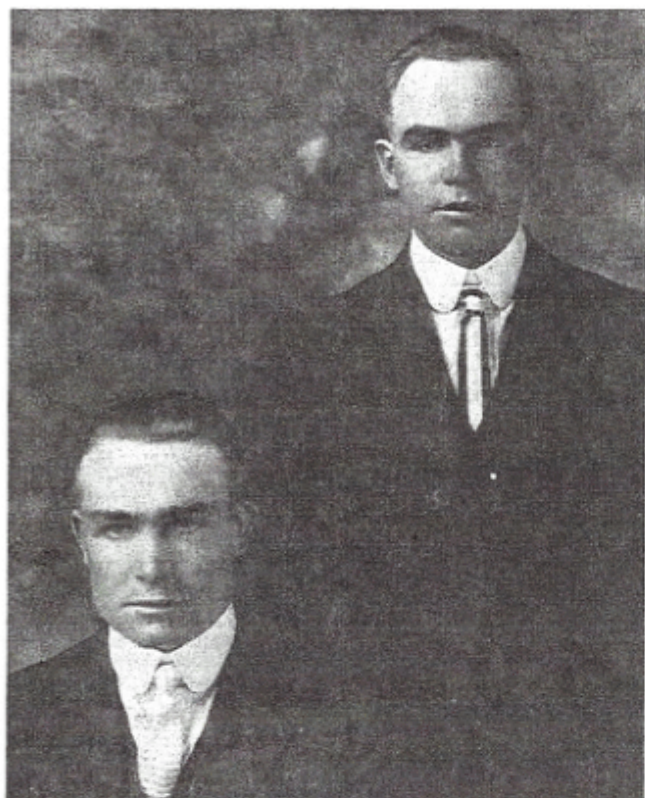

I was goin down the road when I met Davey Crocket. I says where ya goin, he says, I'm goin huntin. I says where's your gun, he says, I got none. Come along with Davey and I'll darn soon show you how to grin a coon crazy. We hadn't gone far when we seen a gray squirrell settin on a pine knot eating sheeps sorrell.

I stuck out my heal to brace up the center. You never saw him grin so hard for his dinner. Then the feller said I'm sure it must be dead, cause I seen the sparks fly from round the creatures head.

Then we locked horns, I thought my breath was gone. I was never squeezed so hard, since the hour I was born. We fought a half a day and then agreed to stop it, for I was badly licked and so was Davey Crocket.

Then we did agree to let each other be for I was rather hard for him and so was he for me. Then we looked round and surely somethin missin, for he had bit of my head and I had swallowed his'n.

Instrument No. 47512 INDEXED Blackfoot 019858

COMPARED

GREETING: THE UNITED STATES OF AMERICA, TO ALL TO WHOM THESE PRESENTS SHALL COME,

WHEREAS, a Certificate of the Register of the Land Office at Blackfoot, Idaho, has been deposited in the General Land Office, whereby it appears that full payment has been made by the claimant Alma A. Butterfield according to the provisions of the Act of Congress of April 24, 1820, entitled "An Act making further provision for the sale of the Public Lands," and the acts supplemental thereto, for the

Southeast quarter of the southeast quarter of Section twenty-nine, the northeast quarter of the northeast quarter of Section thirty-two, and the west half of the northwest quarter of Section thirty-three in Township eight south of Range thirty-four east of the Boise Meridian, Idaho, containing one hundred sixty acres,

according to the Official Plat of the Survey of the said Land, returned to the GENERAL LAND OFFICE by the Surveyor-General:

NOW KNOW YE, That the UNITED STATES OF AMERICA, in consideration of the premises, and in conformity with the several Acts of Congress in such case made and provided, HAS GIVEN AND GRANTED, and by these presents DOES GIVE AND GRANT unto the said claimant and to the heirs of the said claimant the tract above described; TO HAVE AND TO HOLD the same, together with all the rights, privileges, immunities, and appurtenances, of whatsoever nature thereunto belonging, unto the said claimant and to the heirs and assigns of the said claimant forever; subject to any vested and accrued water rights for mining, agricultural, manufacturing, or other purposes, and rights to ditches and reservoirs used in connection with such water rights, as may be recognized and acknowledged by the local customs, laws, and decisions of courts; and there is reserved from the lands hereby granted, a right of way thereon for ditches or canals constructed by the authority of the United States.

IN TESTIMONY WHEREOF, I, Woodrow Wilson President of the United States of America, have caused these letters to be made Patent, and the Seal of the General Land Office to be hereunto affixed.

GIVEN under my hand, at the City of Washington, the TWENTY-FIFTH day of JULY in the year of our Lord one thousand nine hundred and SEVENTEEN and of the Independence of the United States the one hundred and FORTY-SECOND.

By the President: WOODROW WILSON

By E. D. BOULDIN, Assistant Secretary.

L. Q. C. LAMAR, Recorder of the General Land Office.
