? This Building is what is known as Mink Creek Cow Camp,
it is in same local as Grandma & Grandpa House
was built, this area is South Fork of Mink Creek
And the Locality * is where the sawmill site
was located the mountain on the left is Scout Mountain
or as referred to as "old scabb," the Road to the ~~left~~^{right}
was retraced somewhat to the Road Grandpa made
@ the Turn of the Century. the Roadway which you
cannot see to the left crosses Above the mine site
@ where the signs are. my dad (JAY), Bill Pierce,
And I walked up the creek line to where
the mill site was, I was @ 14 yrs old, there was
still Remneser of the saw-mill there - the
Sawdust Pile was Rotted & was Black like Pete
Moss.
